## Library Hosts AHEC Students for Essay Writing Contest

Representatives from the Mid Rio Grande Border Area Health Education Center (AHEC), Texas A&M International University, and the Laredo of Tomorrow Quality of Life Task Force spoke to AHEC students in the computer lab at the Laredo Regional Campus Library on Monday, November 21 to kick off an essay writing contest. Students competing in the contest were asked to describe their own definition and concerns about their quality of life and to include things that they consider when evaluating quality of life for themselves, others, and the environment. They were also asked to offer what they plan to do to improve their personal quality of life and that of their community.

The Library computer lab was made available during after school hours, so that the students would have an opportunity to work on their essays.

## Library Welcomes New Library Assistant

We are pleased to announce that the UT Health Science Center Laredo Regional Campus Library has a new staff member, Cynthia Carrillo. Cynthia will hold the position of Library Assistant and will share duties with Library Assistant, Erika Silva. Cynthia received her BA in Sociology from Texas A&M International University in 2001 and has previous experience in both elementary education and social services.
