## LearningExpress Library 3.0

LearningExpress Library provided by TexShare, the statewide library resource sharing consortium, is an interactive online learning platform that provides the most comprehensive selection of career-oriented and academic resources available. This resource moved to a NEW platform earlier this year. The previous version (2.0) is no longer online.

All user profiles (logons, passwords, work saved or in progress) will NOT migrate to the new platform (version 3.0). Furthermore, all current users will be required to register as new users to access the new platform. If you have any questions about this conversion to a new platform, please contact John Weed, Head of Collection Resources, [weedj@uthscsa.edu](mailto:weedj@uthscsa.edu).

Click on the video above to see how to take advantage of everything LearningExpress Library has to offer, including how to create a new account, login to the library, move around quickly, search for and use our products, use your personal portfolio page, and get help.

## Educational Video on CA-MRSA Finally Ready!

*The University of Texas Health Science Center at San Antonio Libraries, the UT Health Science Center Pharmacotherapy Education & Research Center, and the South Central Area Health Education Center are proud to announce the production of:*

### **MRSA THE MOVIE: IT'S NOT A SPIDER BITE!**

With English and Spanish closed captioning

**The movie is now available for "limited" release through [YouTube!](#)**

Promotion will be offered exclusively to South Texas communities through research organizations, clinics, schools, and more. Please watch the movie and take this short [survey](#). Contact us about a copy of the video on DVD.

*This project has been funded in whole or in part with Federal funds from the National Library of Medicine, National Institutes of Health, under Contract No. HHSN-276—2011-00007-C with the Houston Academy of Medicine-Texas Medical Center Library.*
