Martin High School Students Visit the Library

On March 6th, the Laredo Regional Campus Library welcomed two groups of freshman students from Martin High School as part of an orientation and introduction to health care careers hosted by the Mid Rio Grande Border Area Health Education Center. In the Library, students were given an orientation and tour as well as informational handouts on Library services and resources available from the National Library of Medicine. Librarian Peg Seger provided students with an orientation to PubMed.

Affordable Care Act Information and Enrollment Session Well Attended

Thanks to the collaborative efforts of Congressman Henry Cuellar and various community agencies including the Area Health Education Center, UTHSCSA Library, South Texas Development Council, Molina Health Care, Delgado Insurance, Doctors Hospital, Laredo Medical Center, Gateway Community Health Center and BCFS Health and Human Services, the community of Laredo, Texas was invited to attend a session on the Affordable Care Act hosted by AHEC at the UTHSC Laredo Regional Campus, Saturday, March 8, 2014. Navigators and Certified Application Counselors were on hand to answer questions and guide individuals through the options available to them. Over 155 families received information about the Affordable Care Act. Of these, 126 families received one-on-one counseling with a Certified Application Counselor who spent the time required to explain the information in detail and to help them select a plan suitable for them or their families. Approximately 61 families enrolled for a health insurance plan. In addition, several families chose to schedule a future appointment to finalize their enrollment.

EYL

*We are happy to announce that video-teleconferencing is now available in our computer lab (Rm. 1.101.8). Please contact Laura Harris if you would like to reserve the lab for a meeting, class, training, or event.

*The Library is currently experiencing printing issues. Please contact the Library in advance to verify availability of printing or copy services.
