*November is National Diabetes Month. Here is a featured article provided by the National Diabetes Education Program—[Diabetes is a Family Affair](#).

Software Tutorials and Practice Tests

The screenshot shows the LearningExpressLibrary website. At the top, it says "LearningExpressLibrary" and "Welcome University of Texas Health Science Center at San Antonio!". There is a search bar and "Login | Help" links. The main content area is titled "Welcome to LearningExpress Library!" and includes a "Get Started Now!" section with instructions to choose a Learning Center or browse eBooks. On the left, there is a "Learning Centers" sidebar with categories like Elementary School, Middle School, High School, College Preparation, College Students, Popular Software Tutorials, GED Preparation, Workplace Skills Improvement, Occupation Practice Tests, Skill Building for Adults, U.S. Citizenship, Recursos para Hispanohablantes, and Computer & Internet Basics. On the right, there is a "News at LearningExpress Library" section with several bullet points about eBooks and practice tests, and a "What Do I Do Now?" section with links for Help Center, Guided Tour, Learning Centers, and eBooks.

Need to brush up on software and computer skills? [Learning Express Library](#) is a site available to all UT Health Science Center at San Antonio affiliates that includes online training in software (such as Microsoft Access and Excel), computers (Mac and PC operating systems), and Adobe software (including Dreamweaver and Photoshop). *Learning Express Library* also includes practice tests for the National Council Licensure Examination (NCLEX) and the Physician Assistant National Certifying Exam (PANCE). Visit the site to learn more!

Learning Express Library is easy to use. Create an account with the site to view the tutorials and track your progress. When you see a course you wish to view, click **Login to Add** and the site will ask you to login or create an account.
